The “Act To Increase Access to Nutritious Foods in Schools by Implementing an After-school Food Program for At-risk Students” is a law that requires any district with a school with 50% or more Free/Reduced Eligible students to participate in CACFP At Risk Afterschool Snack/Supper Program. The program requires an education/enrichment activity that is available to all students after school. An example could be a homework help group. If the school does not want to participate or does not have qualifying enrichment, the district must opt out after public hearing and school board vote.

The opt out form for SY24 can be found here:
