

**PARENTAL REQUEST FOR DISPENSING DRUGS OR MEDICATION
BY SCHOOL PERSONNEL**

The undersigned parent(s) or legal guardian(s) of _____,
Name of Student
a student at Beals Elementary School, Beals, Maine, hereby request and authorize
the administration of a drug, medication or substance known as _____
Name of Medication to said child with instructions
given by the family physician and hereto attached in the Physician's Request to Administer
Medication in School (JLCD-E4).

The undersigned represent and acknowledge that said child requires the administration of the specific drug, medication or substance in accordance with the instruction of the physician as attached, and that said child may suffer a serious detriment if the same is not so administered.

The undersigned represent that he/she understands that school employees are not medically trained personnel and that a school nurse is not available to give personal nursing attention at all times during the school day. With full knowledge of this, I hereby request and give my consent to have the drug, medication or substance specified above, administered by the school nurse or by another person designated by the school principal to administer drugs and medications to my child in accordance with the instructions of the physician as attached.

The undersigned agrees to the following conditions:

- (1) The school will be supplied with medication to be transported by the parent if more than one (1) day's dose is required.
- (2) The child will be checked by his/her physician at least once annually.
- (3) The physician signing the accompanying request and certification will renew his request in writing every school year, should the need continue.
- (4) School personnel (principal/school nurse/designated person) will be notified immediately of any changes in the child's condition or changes in schedule or medication.
