

**EMPLOYEE USE OF CELLULAR TELEPHONES AND OTHER  
ELECTRONIC DEVICES**

The Board recognizes that many employees possess cellular telephones and other electronic devices. These devices may not be used in any manner that disrupts the educational process, is illegal, or violates Board policies and/or school rules. Employees should not be using cell phones while they are in the classroom or otherwise directly responsible for students unless an emergency situation requires such use. The school unit is not responsible for damage, loss or theft of such devices. The Superintendent is authorized to develop any school rules necessary to implement this policy.
