

STUDENT VEHICLE USE, PARKING AND SEARCHES

The Board may permit student use and parking of motor vehicles on the high school grounds only. Students driving a motor vehicle to the high school grounds may park the vehicle in the parking lot designated for student parking. Students will not park vehicles in back of the school or in front of the school. The vehicle will not be used during the school day. In the event of an emergency, permission may be granted for a student's use of a vehicle.

Students are permitted to park on school premises as a matter of privilege, not of right. Administrators and teachers may conduct routine patrols of student parking lots. The interior and exterior of a student automobile may be searched when a school administrator has reasonable cause. Such searches may be conducted without notice, without consent and without a search warrant.
